ON-LINE EXAMINATION AT NIA FOR GENERAL INSURANCE & LIFE INSURANCE

(IGIE Foundation programme administered by AICPCU/IIA)

National Insurance Academy (NIA) was established in 1980, primarily as a training institute for senior executives of insurance industry by the Life Insurance and General Insurance Industry with active support from the Government of India. Over the years, the Academy's activities have proliferated and now encompass **training, research, education, consultancy and publications.**

The Academy is an Associate Member of the **Federation of Afro Asian Insurers and Reinsurers (F.A.I.R.)** and also for imparting training under the **Technical Cooperation Scheme of Colombo Plan (TCS).**

The Academy has full-time residential two-year MBA Programme in Management, where selection is based on CAT score.

NIA has a unique self-paced Executive MBA Programme for the working professionals.

NIA is a member of the Institute of Global Insurance Education (IGIE), which has affiliations with CPCU-USA, CII-London and Canadian Institute of Insurance.

AICPCU On-Line Examinations:

NIA has been authorized by the Institute of American Institute of Chartered Property and Casualty Underwriters (AICPCU) and IGIE, to conduct Online Examination for General Insurance & Life Insurance as Foundation Programme.

AICPCU and Insurance Institute of America (IIA) have developed online study material on behalf of IGIE. Those who enroll with NIA are provided with password to access the study material belonging to either General Insurance or Life Insurance stream as per the preference of the candidate. After going through the study material the candidates are allowed to appear for the online examination at NIA conducted by the Underwriters.

On successful completion of the examination the American Underwriters issue an immediate electronic certification which is later on followed by an authenticated grade card counter-signed by NIA (**www.niapune.com or www.niapune.org**)
